**Agenda Results:**

**NEW BUSINESS:**

Visitors Business

- Warren Whitcomb – Came to see what the Selectboard has to say about the Sidewalk Project Petition, he feels that there are enough signatures and that it warrants the Selectboard revisit the issue. Keith Hall cited the V.S.A. Title 19, § 905 "Construction of sidewalks, bicycle paths and footpaths" He told Mr. Whitcomb that it is State money that is paying for most of this project; and he is all for having sidewalks. Mr. Whitcomb replied that 10% of that money is being paid by the Town, and it is not in the budget as such and if the budget were to get voted down, that would be the end of the sidewalks. After more discussion, Burt Allen made a motion to have the Sidewalk Petition put on the Warning for Town Meeting, seconded by Paul Audy. Keith Hall did not agree with this motion, he is not in favor of putting the petition on the Warning because it has already been voted on. Claire Van Buren asked the Selectboard how they wanted it worded on the Warning. Paul Audy said exactly as is; it will be just like the king house was last year; it will be open for discussion.
