

Town of New Haven Selectboard Meeting
7:00 pm Town Clerks Office
Wednesday, April 30, 2008

Present: Pam Marsh, Lowell Nottingham, Keith Hall, Pam Kingman

Agenda: Work night - updating the Personnel Policy for the Town Office and Road Crew.

Pam Marsh, Lowell Nottingham and Keith Hall make up the committee that will be working on updating the Personnel Policy.

The current Policy was last updated in January, 1999. Each member of the committee has had a chance to review the current policy, as well as two Personnel Policies from a couple of surrounding towns.

The Vermont League of Cities and Towns offers a model policy for towns to use as a guideline. The committee chose to use this model.

Pam Marsh had the VLCT model policy on her laptop, which made it fairly easy to modify to suit New Haven. She will forward a draft copy to each Selectboard member for comments and corrections; as well as a copy to Pam Kingman, clerk for the Selectboard.

Adjourn: 9:15 pm
