Minutes of New Haven Planning Commission

March 22, 2011

Meeting called to order at 700pm

All Members present,

Discussion was lengthy about zoning map and Rod agreed to have overlays that show parcels of current zoning.

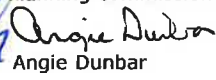

Discussion then went to section 130 zoning definitions and many questions were put forward.

Francie agreed to order a copy of AAP from the Dept. of Agriculture for the town office.

Discussion was had on the lack of any height restrictions in current zoning, and discussion was had on the need for some action in this area.

Motion was made and a second was made to make the first Thursday of the month the official Planning commission meeting, all yea.
