5. During the hearing the following exhibits were submitted to the DRB:
 - Application to Development Review Board dated June 5, 2023
 - Plat plan dated October 23, 1006 drafted by Ronald L. LaRose, R.L.S.
 - Narrative by applicant dated June 5, 2023

The application is on file and available by contacting the New Haven Zoning Administrator.

FINDINGS OF FACT

Based on the provided site plan, testimony, exhibits, and other evidence, the DRB makes the following findings:

1. This proceeding involves a boundary line adjustment on lands owned by Ashley-Ann Peluso located at 683 Quarry Road in New Haven, Vermont.
2. The property contains land located within the RA-2 zoning district.
3. The boundary line adjustment seeks to adjust the property line along the 219' strip of land northwest at an angle from the existing driveway to allow for an additional 31' to satisfy the setback requirement to build an attached 24' x 32' garage.
4. The 219' strip of land is owned by Phil and Shelly Bartsch and provides frontage rights to Quarry Road from their home on Laffin Road.
5. Phil and Shelly Bartsch have agreed to adjust the boundary line to allow room for the proposed garage
6. The proposal boundary line would be moved 5' to the north, proceed at a northwest angle to 31', then straight back to the current western property line.

CONCLUSIONS:

The New Haven Development Review Board concludes that:

Findings and Decision

**Ashley-Ann Peluso, 683 Quarry Road, New Haven, VT
Boundary Line Adjustment Application No. 2023-DRB-06-BLA**

1. The proposed boundary line adjustment will not result in a larger non-conforming lot, as the current property line is 23’ from the north-facing side of the house.
2. The proposed boundary line will not impact the existing 200’ road frontage on property owned by Phil and Shelly Bartsch.
3. The proposed boundary line adjustment will result in an additional 31’ to satisfy the setback requirement for construction of a 24’ x 32’ garage.

DECISION AND CONDITIONS

Based upon the application record, testimony, above findings, and conclusions, the DRB in a vote of 4-0 (C. Roy, K. Barrett, C. Charbonneau, R. Hamilton) approves the boundary line adjustment application DRB-2023-06 BLA as presented.

The following conditions are applied to this approval:

- The applicant shall submit for approval a survey/Mylar that complies with the required minimum standards within 180 days.
