John Roleau opened the meeting at 6:30pm.

Prior to approving Porky's Place liquor licenses, the Selectboard had questions for Lonie Parker in regards to a fight at Porky's that took place back in August and another in November.

Kathy Barrett said she is the one who raised the question at the last Selectboard meeting. She said she read about the fight in the paper and was looking for clarification and make to make sure there are no issues.

Lonie Parker said he has had two incidents since he has been open. The first was an intoxicated person who came from the bar City Limits in Vergennes. He was not permitted to enter when they noticed how intoxicated he was. Lonie escorted him to his car, where he attempted to run Lonie over. The State Police were called, and the person now has a no trespass order at Porky's.

The second incident was like the first. Another intoxicated guy who came in, started making the ladies uncomfortable; when Lonie asked around no one knew who he was. He was asked to leave, and a scuffle ensued. Once again, the State Police were called. Lonie has issued a no trespass order on this person as well.

Lonie went on to say he does not draw the "younger" crowd at Porky's. The crowd he attracts are a little older and more respectful. He won't put up with anyone who comes in already intoxicated and will stop serving when someone has had enough.

Taborri Bruhl said he has been up to Porky's numerous times with the decibel meter, and although it is loud, and within range; things have always been orderly.

Lonie added he has hired two guys to patrol the parking lot, to make sure things stay orderly.

Kathy Barrett said she feels much better about it all. The rest of the Board agreed with her.

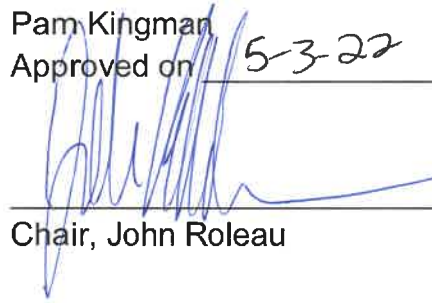

Kathy Barrett made a motion to approve the First, Second and Outside Consumption permit for Porky's Place. Motion seconded by Taborri Bruhl. 5 yes / 0 no
