7:00 – NEW BUSINESS – visitors business

Discussion about JR's Rubbish & Recycling leaving their site at the junction. Building where recycling is housed is being sold. No place to put a recycle "center". Talked about the use of boxes to house the material, again it is a matter location. Betty Bell asked to not have the boxes located at the Town Hall again, all agreed it was too messy, and there just isn't enough space for parking as well the recycle boxes. Larry Buck does not want to control who the townspeople choose for rubbish as well as recycling.

More discussion on costs and options.

Paul Audy made a motion to go with curbside recycle, second by Larry Buck

All agreed.

Bill Barnard – asked about roads getting painted, easier to drive on when there are Lines on the roads. Amos Roleau- the state used to sub-contract, but they no Longer provide that service.

Betty Bell- River Rd. Cemetery- the gate needs to be fixed. Would like to see Outside of fence brush hogged, horse fence on East side. Would George Crane Let her in to brush hog? Would also like to ask Jerry Smiley for permission. George Bell could do the work. Selectmen- ok to do it.

Jim Walsh – RE: VELCO The PSB will be doing a site visit to Forrest Drive and Sub-station on September 25, 2005 at 2:00. Meet at the Sub-station. Jim handed The selectmen paperwork regarding Forest Drive residents now having Party Status. Amos- said he spoke with Harvey Smith who talked to the Governor, who Said he didn't want to get involved. Jim Walsh-would like the Selectmen to attend On Sept. 25. Meeting needs to be warned. Would like to keep meeting low key. Larry- Jim is an intervene and will be allowed to speak. Selectmen may not be Allowed to or anyone else.

NEW BUSINESS:
