

NEW HAVEN CONSERVATION COMMISSION VIRTUAL MEETING

WEDNESDAY MAY 15, 2024 AT 7 PM

>NEW BUSINESS:

Review and approve the minutes from April 17, 2024

A suggestion has been made that we engage the town road workers regarding areas where they observe wildlife road crossing. Having maps will help and we need a plan for meeting with them.

SUSAN, POLLY

>OLD BUSINESS:

Rhiannon has done a great job creating an NHCC Google Drive account and a folders section for storing camera data. Have you used it yet? What questions are on your mind? If you make an entry in error how do you fix that? Any suggestions?

We ran out of time in April to learn about ACRPC helping us with a community engagement project.
