

FOR IMMEDIATE RELEASE

April 14, 2026

New Haven, VT – A Public Informational Meeting for the project listed below will be held on Tuesday, June 2, 2026, beginning at 6:00 PM prior to the regularly scheduled selectboard meeting at the New Haven Town Offices located at 78 North Street in New Haven, VT. The meeting will be held by the Vermont Agency of Transportation (VTrans) and the Town of New Haven.

Culvert replacement project:

- New Haven STP CULV(168) VT Route 17, PID 8508 at MM 4.62

The project is for replacement of the existing culvert while maintaining traffic on an offsite detour for 5 days.

The intent of the meeting is to provide an overview of the project to Town Officials, residents and businesses, emergency services and other interested parties. There will be a review of the existing site conditions, proposed work, and overall schedule followed by a question-and-answer period. Representatives from both VTrans and the Town of New Haven will be available at the meeting to address public concerns about the project.

Electronic copies of the *project planset(s)* are available online at:
