

Town of New Haven Emergency Selectboard Meeting

7:00 pm

Town Offices

Thursday, October 13, 2011

Present: Chair, Kathy Barrett, Vice Chair, Pam Marsh, Roger Boise and Clerk Pam Kingman

Visitors: Rick Shappy and Larry Maier

AGENDA RESULTS:

VISITORS BUSINESS:

1. Rick Shappy brought samples of the acoustical tiles for the Town Hall gym. He recently received a quote from Acoustical Solutions, Inc. out of Richmond, Virginia for \$3,521.00. They are 1-1/8" thick and will be mounted on the walls of the gym. The larger tiles will be hung between the windows, at window height. Acoustical Solutions, Inc. suggests covering 30% of the surface with the acoustical tiles for best results. Rick suggested we start by covering 10% of the gym. Pam Marsh made a motion to authorize Rick Shappy to order acoustic panels from Acoustical Solutions, Inc. getting the best price. Money to come from the Reserve Facilities fund. Motion seconded by Roger Boise. 3 yes / 0 no
Sound Engineer, Mark Mulqueen had suggested hanging a curtain along the front ¾ wall as you enter the gym to help cut down on the noise. Rick suggested using a cable with a turnbuckle screwed into the walls to hang the curtain over. Pam Marsh suggested using a fleece fabric would be a good idea, it would absorb sound and it is inexpensive. The cost will be looked into and installed as soon as possible.
2. ACTR Bus Shelter – Nadine Barnicle from ACTR was inquiring about the \$1700 needed for the local match in order for ACTR to secure the grant for the bus shelter. Pam Marsh made a motion to approve up to \$1700 local match, towards the ACTR bus shelter. Motion seconded by Roger Boise. 3 yes / 0 no

Adjourn: 6:55pm

Respectfully submitted:

Pam Kingman

Approved:
