Library News:

Have a tween or teen looking to learn the basics of crochet? Thanks to the support of the Winne Belle Learned Fund, the Library is hosting a multi-session workshop taught by the amazing folks at Hermit Thrush Fiber Co. This workshop will cover all the basics to crochet, and participants will leave with their first completed granny square! Sessions will be on October 7th and 14th from 10:30 am - 12:30 pm. All supplies and instructor fees are covered through our generous grant.

Pre-registration for this workshop is required and space is limited. To register, please email the library at librarian@nhcl.org.

NEW HAVEN NEIGHBORS!

Our organization of New Haven community members is continuing to work together to create opportunities for local and regional community members to socialize, recreate, and enjoy the passing of seasons together.

These opportunities will be based on volunteer availability and resources so we invite everyone to participate and offer suggestions for ways we can connect. We are thinking the next event might be a pie social indoors when the town hall entrance renovation is complete and perhaps include some entertainment as well.

If you would like to be added to the mailing list and/or be involved in helping out with NEW HAVEN NEIGHBORS, please reach out to Kim Callahan kimcallahan99@gmail.com
Stay tuned and Happy Fall to you all!
