

Town Report Addition and Correction

Correction: Page 13, Renumeration for Town Positions, left out a 1 in describing employees' contributions to the cost of the health insurance offered to full-time employees. The benefit should read: "Platinum Health insurance options from single to family plan with the employee contributing \$1950.00 per year."

Addition: The following fund was not included in the Town Report. No town money was used, but it benefited the town. A Selectboard member suggested adding this after the report had gone to press.
